LETTER OF APPRECIATION

It gives me immense pleasure to place on record my sincere appreciation for the commendable work being carried out by **Parishrama Divyang Sports Academy**, a registered NGO established in June 2023 with the noble objective of empowering persons with disabilities through inclusive sports, awareness programmes, and community engagement initiatives.

Within a short span of time, the Academy has demonstrated remarkable dedication and commitment by successfully organizing several impactful activities, including:

- Short Course Swimming Competition
- Para Athletics Coaching Camp
- National and State Level Wheelchair Cricket Tournaments
- Para Badminton Open Championship
- Menstrual Hygiene Awareness Camps
- Eye Donation Awareness Drives
- Environmental initiatives such as sapling plantation drives.

These initiatives have significantly contributed to the promotion of inclusive sports and have played a vital role in building confidence, self-reliance, and competitive opportunities for para-athletes at both grassroots and advanced levels. The Academy's structured approach, transparency in functioning, and strong commitment to social inclusion reflect responsible leadership and a genuine effort toward nation-building through sports.

I extend my heartfelt appreciation to the Managing Trustees, Trustees, volunteers, and supporters of Parishrama Divyang Sports Academy for their dedicated service and meaningful contribution to the empowerment of persons with disabilities. I also encourage organizations, institutions, and stakeholders to extend their support through CSR partnerships, sponsorships, and collaborative initiatives to further strengthen and expand inclusive sports development across the State and the Nation.
